

# 2 CUPBOARD CATCHES

For cupboards, kitchen unit doors, door flaps, etc.

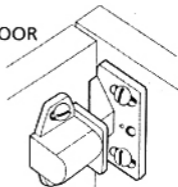

Easy surface fixing.

DOOR

## FITTING INSTRUCTIONS

DOOR

1

Position catch and striker plate, as shown in diagram.

2

Adjust to correct operating clearance of 13mm (1/2") from face of catch to door frame.

3

Where the striker plate is also to be used as a door stop an additional screw or panel pin can be used in the centre hole of the striker plate.
