Environmental Protection

This symbol is known as the "Crossed-out Wheelie Bin Symbol". When this symbol is marked on a product or battery, it means that it should not be disposed of with your general household waste.
Some chemicals contained within electrical/electronic products or batteries can be harmful to health and the environment. Only dispose of electrical/electronic/battery items in separate collection schemes, which cater for the recovery and recycling of materials contained within. Your co-operation is vital to ensure the success of these schemes and for the protection of the environment.

Guarantee

BG SyncEV products are guaranteed against faulty materials and workmanship for a period of 3 years from date of delivery: products will be repaired or (at BG SyncEV's discretion) replacements will be supplied or (at BG SyncEV's discretion) a credit note will be issued.
This guarantee is subject to BG SyncEV's conditions of sale and in particular to the following conditions being met:

1. Notification of any defect is given to BG SyncEV as soon as reasonably practicable after becoming apparent, and the products then returned to BG SyncEV.
2. The products have only been operated under normal operating conditions and have only been subject to normal use.
3. No work (other than normal and proper maintenance) has been carried out to the products without BG SyncEV's prior written consent.
4. The products have been assembled, or incorporated into other goods, by a qualified and recognised electrician and only in accordance with any instructions issued by BG SyncEV.
5. The defect has not arisen from an item manufactured or supplied by a person other than BG SyncEV.
6. 3 Year warranty as standard, qualifying sites include on site warranty see the BG SyncEV website for T&C's.

If you require further technical assistance you can get in touch with our Support Team: **support@syncev.co.uk**

Hereby, BG SyncEV declares that the radio equipment type EV Smart Charger is in compliance with Directive 2014/53/EU.

BG SyncEV is a trading name of Luceco PLC.
Luceco PLC — Stafford Park 1, Telford, TF3 3BD, England | (EU) Luceco SE — C/ Bobinadora 1-5, 08302 Mataro, Spain

Change the Private access controls

Within Private access enable Auto SmartCharge/ AutoStart and save to turn on Plug and Charge Mode

Private settings

Allow charging in peak hours
When toggle is OFF charging will not be possible in peak hours: 08 - 11 and 16 - 22.

Enable SmartCharge
SmartCharge enables your charge point to automatically decide when it should charge within a specified time span e.g. when prices are low or green energy is high.

Enable Auto SmartCharge
Auto SmartCharge will schedule a SmartCharge with your latest settings when you plug in your car.
